

COOKING/SCIENCE SOCIAL SKILLS GROUP

Expressions of interest are now being accepted to participate in our cooking/science social skills groups. These groups are suitable for children aged between 6 and 10 years old who have social challenges or a diagnosis of High Functioning Autism Spectrum Disorder.

The program is designed to target the following social skills while testing some science or cooking something tasty:

- Working in a group
- Turn-taking and sharing
- Listening and waiting
- Body awareness
- Problem solving
- Reading social cues
- Conversation
- Following instructions
