

UPPER-PRIMARY EARLY SECONDARY AGED

SOCIAL SKILLS GROUP

Expressions of interest are now being accepted to participate in our social skills groups for those nearing the end of primary school or have entered secondary school. These groups are suitable for students aged between 9 and 13 years old and have social challenges or a diagnosis of High Functioning Autism Spectrum Disorder.

The program is designed to target the following social skills during structured and unstructured activities:

- Working in a group
- Turn-taking and sharing
- Listening and waiting
- Body awareness
- Problem solving
- Understanding emotions
- Reading social cues
- Conversation
